

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 4, 1996

SUBJECT: **SB 2795 - HB 2758**

This bill, if enacted, will eliminate certain provisions regarding restitution ordered to be paid by a child found delinquent. These provisions include: the court assisting the child in obtaining gainful employment; ordering community service as a form of restitution; revocation of probation for failing to pay restitution; and ordering the restitution to be paid by the child's parents. The court shall order restitution for actual costs of medical expenses and loss of property in the amount of the child's proportionate responsibility for such loss or injuries.

The fiscal impact from enactment of this bill is estimated to be a decrease in local government revenue. The amount of such decrease cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
